

**Bass + Mandolin:
A Mother's Day Concert
Friday, May 6th
1:30 pm in the Party Room**

Celebrate Mother's Day with a unique blend of classical, folk, and original music played on bass and a mandolin!

On **Friday, May 6th, at 1:30 pm in the Party Room**, Portland's new acoustic duo, bass+mandolin, will perform selections from their newly released album that showcases Bach's Inventions, Mozart's Canzonetta from Don Giovanni, and their own original compositions that weave in and out of swing, jazz, classical and bluegrass with crooning vocals.

As bass + mandolin, Brian Oberlin (mandolin) and Josh Feinberg (bass) achieve chemistry unparalleled in today's acoustic music circles. Inventive, creative, and interactive, the two explore the bonds of their music, most of which is written for bass and mandolin.

They also cover traditional music - Americana, swing, jazz, and classical. Each concert is full of new ideas as they spring through songs, bouncing off one another's nuances with a lively thrill.

Please join us for this wonderful concert on May 6th in honor of mothers everywhere!

**Educational Travelogue:
Rwanda in Recovery
Friday, May 13th
1:30 pm in the Party Room**

Over a decade ago, the 1994 Rwandan genocide shocked the globe and drew thousands of international volunteers to help in the recovery process. Experience first-hand the stories of local volunteers Doug and Sue Minson as they share their personal experiences in Rwanda at **Cornell Estates on Friday, May 13th, at 1:30 pm in the Party Room.**

A retired attorney and medical doctor, the Minsons have worked alongside Rwandans in medical schools, prisons, and schools for the past two years. The stories they describe are of tragedy, but also of hope and inspiration, peace and brotherhood, and the divine gifts of human compassion and human resilience.

Sue serves as a volunteer teacher at the Kigali Medical School. Doug volunteers with Prison Fellowship International, assisting the ministry inside the prisons of Rwanda in their efforts to reconcile the differences between racial groups, and help HIV/AIDS women and street children.

A special treat will include their hike up Mt. Kilimanjaro, the highest mountain in Africa. You won't want to miss it!

We invite you to share this unique opportunity with your friends and neighbors on Friday, May 13th, at 1:30 pm!

OASIS Lecture:
Native American Rock Art
of the Columbia River Gorge
Friday, May 20th
1:30 pm in the Party Room

Pictures of Multnomah Falls are everywhere in Oregon: on postcards, calendars, guidebooks, and more. But there is more to the Columbia River Gorge than breathtaking waterfalls! Join Dr. James Keyser as he explores Native American vision quests, shamanism, and rock art in the Columbia River Gorge. The presentation begins at **1:30 on Friday, May 20th, in the Party Room.**

Dr. James Keyser has a keen interest in the art, religion, and culture of these Gorge peoples. Raised on a Flathead Indian Reservation in Montana, Dr. Keyser later obtained his PhD in anthropology. He taught as a college professor for a few years before discovering his true calling: being an archeologist. For 26 years, he served as the staff archeologist for the U.S. Forest Service's regional office in Billings, Montana and later as the regional archeologist for the Pacific Northwest Region based in Portland.

In addition to over 150 monographs and articles on archeology and rock art, Dr. Keyser has also authored five books on rock and ledger art. He is a member of the Scientific Advisory Committee for the study of Chauvet Cave, the oldest cave painting site in Europe.

We'll see you all on Friday, May 20th, at 1:30 pm!

DIRTY JOBS
Behind the Scenes: Wine-Making
Saturday, May 7th
2:00 pm in the Party Room

If you've ever seen Dirty Jobs on the Discovery Channel, you know there are some difficult, strange, messy and interesting occupations out there! Join us for our first official Cornell Estates "Dirty Jobs" program!

John Platt of Helvetia Vineyards and Winery will be here **Saturday, May 7th, at 2 pm in the Party Room** to tell us about the "dirty," messy, fun task of wine making!

John farms 70 acres of forest, vineyards, and Christmas trees in Helvetia. In 1987 he and his wife made their first wine, and in 1989 they started selling grapes to home winemakers. From 1992 to 1995 they custom-crushed their grapes at Laurel Ridge Winery under the Helvetia Vineyards label and opened their own winery in October 1996.

Come and enjoy a taste of Helvetia Vineyards wine on Saturday, May 7th! We'll find out if crushing grapes is as messy as it looked on *I Love Lucy*!

National Day of Prayer Thursday, May 5th

1:30 pm in the Party Room

“I will say of the Lord, He is my refuge and my fortress, My God in whom I trust.” - Psalm 91:2

“A mighty fortress is our God.” Join us on **Thursday, May 5th, at 1:30 pm in the Party Room** in a national campaign to reclaim our country through prayer as we celebrate the nation’s 60th National Day of Prayer.

The National Day of Prayer is an opportunity to have residents publically acknowledge leadership in America’s seven areas of power: Government, Military, Education, Business, Media, Church, and Family. Residents will share their prayers and ask for wisdom for our leaders in these areas for the coming years. By remembering these specific prayer points, we can cover all Americans with God’s power. Together, we will see positive change.

The National Day of Prayer is a vital part of our heritage. Since the first call to prayer in 1775, when the Continental Congress asked the colonies to pray for wisdom in forming a nation, the call to prayer has continued through our history. The National Day of Prayer enables us to recall and teach the ways in which our founding fathers sought the wisdom of God when faced with critical decisions.

It stands as a call to come humbly before God, seeking His guidance for our leaders and His grace upon us as a people. The unanimous passage of the bill establishing the National Day of Prayer as an annual event, signifies that prayer is as important to our nation today as it was in the beginning.

Please plan to join us for an important hour of prayer and worship. Dorothy Eby will be our piano accompanist playing traditional hymns.

Did you know that May is Better Hearing and Speech Month?

For over 75 years May has been designated as Better Hearing and Speech Month -- a time to raise public awareness, knowledge, and understanding of the various forms of communication impairments. Helen Keller once noted that of all her impairments, she was perhaps most troubled by her lack of speech and hearing. While blindness separated her from things, she said, her lack of speech and hearing separated her from people -- the human connection of communication.

As part of Cornell Estates' ongoing commitment to raise awareness about hearing loss, we will be offering a variety of hearing events throughout the month.
