Launch of the C.A.R.E. Program
“Community Action Rejuvenates Everyone!”
Wednesday, April 22nd
1:30pm in the Party Room

Volunteers provide a positive and meaningful impact on our community. That’s why Cornell Estates is dedicated to giving back whenever possible. The launch of the C.A.R.E. program will add to the list of the numerous volunteer opportunities already available for residents. With this program residents will gather each month to complete a service project for a different organization. Residents will also have the opportunity to learn more about the organizations in our shared community.

This month, residents will be making dog treats to donate to the Oregon Humane Society. The Humane Society saves over 5,000 dogs a year – and they enjoy fresh baked treats just like everyone else! These treats will provide comfort to the dogs while they are waiting to be adopted into their new family. By making the treats from scratch, residents can add the most important ingredient; love! Of course, love isn’t all that goes into this tasty dog treat. Residents will be using real ingredients like peanut butter and cheese to make these treats extra special.

Look forward to a new C.A.R.E. project at Cornell Estates every month. If you know an organization that has a need, please let us know how we can help!

The Oregon Historical Society Presents:
“Oregon, My Oregon”
Wednesday, April 15th
1:30pm in the Party Room

Oregon’s history comes to life in this interactive presentation by Sharon Thorne of the Oregon Historical Society. The story begins thousands of years ago with the lives of the “first” Oregonians, the native peoples. From there, you will learn about the entrance of the great trading ships coming off the Pacific and the arrival of Lewis & Clark. The story ends with the great wave of emigration by settlers coming in wagons over the Oregon Trail in search of free land and unlimited opportunity.

This is not just your regular history lecture. Sharon will bringing historical artifacts for you to look at and handle. She will encourage audience participation and allow you to feel as you are part of history itself. As part of the Oregon Historical Society, Sharon embraces their mission; making Oregon history matter!

Sharon Thorne is a nine year volunteer at the Oregon Historical Society. Most recently she’s worked with a group of colleagues to launch the new OHS Speakers Bureau. Sharon is a retired management consultant who specialized in helping large corporations & government manage change and operate more effectively. While she is not a native Oregonian, after 40 years of living here, she considers Oregon her home.

The Westside Singers
Wednesday, April 15th
7:00 pm in the Party Room

Cornell Estates is happy to welcome back the Westside Singers this spring!

The Westside Singers have been performing in Portland and beyond for over 60 years. Originally begun in 1945, the all-male chorus was known as the Forest Grove Gleemen. When women joined the chorus in the 1960s, the Forest Grove Gleemen became the Forest Grove Gleemen and Girls. As time passed, the chorus grew in size, drawing singers throughout the Portland area. The focus changed to singing jazz standards and show tunes, and the name changed one more time to the Westside Singers.

Today Westside Singers is a jazz chorus of 35 singers, ranging in age from late teens to the 80’s. Their director, Bruce Brownell, has directed Westside Singers for 19 years. His talent and dedication has crafted Westside Singers to become Portland’s premier jazz chorus.

So join them on **Wednesday, April 15th at 7:00 pm in the Party Room** and be ready to tap your toes!

Out and About with your 2015 Cornell Ambassadors!

Our Ambassadors represent what we stand for here at Cornell Estates; fullness of life and community engagement. Each month, keep your eyes peeled for ambassador sightings at events both at Cornell and out in the Community!

This month, Retirement Living Ambassador, Arden Sheets was featured in our new Smart Shoot video that will be posted on Yelp. Arden was filmed out in the Retirement Courtyard where he talked about our beautiful gardens, the Rose Festival, and events we sponsor such as Showtime at Shute and the Tuesday Marketplace. Arden also represented Cornell Estates at the Hillsboro Senior Center with a class on Spring Gardening. Arden shared his expertise and participants all went home with a primrose to plant in their own garden.

Assisted Living Ambassador, Bob Brooks, will be given the honor to award the winner of our first annual Easter Egg Hunt with a special prize. The Easter Egg hunt on Saturday, March 28th will be a family celebration with activities, games, a balloon artist, and of course the Easter bunny! You will also often see Bob out on his daily walk, picking up garbage. Thank you, Bob, for helping keep our home clean!

Tune in next month to find out what your Ambassadors have been up to!
