The event draws an estimated 25,000 people every year to the streets of Hillsboro. Resident Spotlight
Bob Brooks

This month we celebrate resident Bob Brooks. He has lived at Cornell Estates since August of 2001!

Bob was valedictorian of his six-person class in 8th grade. He graduated from Beaverton High School in 1953. In 1957 he joined the Navy and spent two years as a radarman exploring the world. He spent time in New Zealand, the Philippines, Japan, and Hawaii. He spent Christmas in 1959 at Hong Kong Harbor where they invited Chinese children to board the ship and enjoyed watching the children have fun.

After the Navy, he worked as a Sheet Metal and Plastics Inspector at Tektronix and Intel and worked other various jobs for 20 years.

At Cornell Estates, Bob loyally makes sure that Sunday church is set up every week. He enjoys Cornell College and he spends a good deal of time working on projects in our sewing room. He’d love to revisit Hawaii, New Zealand, and Hong Kong. He would also love to go back to Charburger (now Bridgeside Grille) and enjoy a nice meal overlooking the Bridge of the Gods.

Bob never married, but wistfully says that if he could do it all over again, he’d have put a ring on her finger before leaving for the Navy.

Employee of the Month
Alex JimenezPerez

Alex has been a part of the Cornell Estates team for almost two years now. She serves and maintains the salad bar. Alex enjoys bingeing Netflix shows and reading books in her free time, when she isn’t working or busy in school studying to be a history teacher. Her favorite class so far has been her African History class. She is hoping to plan a trip to Greece during her next big break from school.

Alex loves working with her coworkers at Cornell Estates. The residents say that Alex is a very nice person and they love how kind, friendly and helpful she is.
